You will be awarded the Course Completion Certificate!

Shubham Bhosale

From The Trainers Desk-

In today's fast-paced world, the attraction of quick wealth has led many to the stock market, all hoping for rapid riches. However, it's vital to grasp that the stock market isn't a realm of instant fortune; it's a complex and professional domain that demands knowledge, skills, and experience. True success in trading isn't achieved in a matter of days. While it's undeniable that the stock market offers the potential for substantial profits, reaching that level requires the right training and expert guidance. It's imperative to seek wisdom from experienced experts, veterans in the field who have honed their skills over the years. To navigate the stock market effectively, you must follow a well-defined path and learn from those who have mastered it. In essence, trading can be a profitable pursuit, but it's far from a get-rich-quick scheme. It's a disciplined and skilled profession that, when approached with dedication and under the guidance of experienced mentors, can lead to financial success.lf you choose to embark on this journey with us, you will witness remarkable transformations within yourself. Your financial prospects will improve, and your mindset will evolve positively. You'll not only learn the right, profitable trading methods but also experience personal growth and logical thinkina.

Frequently AskedQuestions

Q7: When can participants begin actual trading, and what is the recommended starting capital?

Participants can start trading after completing the third week of regular classes. We recommend starting with an initial capital of 5,000 to 10,000 Rupees and gradually increasing it to 25,000 to 1 lakh Rupees as they gain experience.

Q8: Can I pay the fees in instalments?

Unlock the world of trading with ease at The Trading Universe Academy!!! Get started today with our flexible payment plan. Simply register with just 700 INR to kickstart your journey. After your first 3 enriching classes, continue your learning experience with a payment of 3500 INR. And to top it off, after 10 days, complete your investment with a final installment of 3500 INR. Don't miss out on this opportunity to empower yourself in the world of trading.

Q9: Is the trainer is well qualified?

The trainer is NISM certified and has substantial experience in the world of trading. He have successfully helped over 1000 students enter the trading industry.

Q10: How many times can participants revise the program's topics if they have difficulty understanding?

We schedule weekly revision classes to allow participants to revisit the material. Additionally, there are daily 10 to 15minute doubt-clearing sessions.

Q11: Am I eligible to join and attend live classes?

Ans: To join and attend live classes, you must be 18 years or older.

Q12: Whom is this course designed for?

This course is designed for residents of Maharashtra who are 18 years or older. Whether you are a student, working professional, businessperson, or homemaker, if you aspire to improve your financial situation, this course is suitable for you.

Q13: What if I miss any live session?

If you miss a live session, we have you covered. You will have access to the recording of each class for 3 days to revise every topic.

Q14: I don't have a trading account. What should I do?

No need to worry. Setting up a trading account is a simple online process. We will assist you with everything you need when you join our mentorship program.
